

Investment plans were developed by Facilitators appointed by the NCRIS Committee in close consultation with the stakeholders in the respective capability areas.

List of Facilitators

Capability	Facilitator
Evolving Biomolecular Platforms and Informatics	Professor Mick Reid
Integrated Biological Systems	Dr Ian Pitman
Characterisation	Professor Simon Ringer
Fabrication	Professor Chris Fell
Biotechnology Products	Dr John Ballard
Networked Biosecurity Framework	Mr Roger Smith
Optical and Radio Astronomy	Dr Brian Boyle
Integrated Marine Observing System	Dr Trevor Powell
Structure and Evolution of the Australian Continent	Dr Mike Etheridge
Population Health and Clinical Data Linkage	Professor Michael Frommer
Platforms for Collaboration	Dr Rhys Francis
Terrestrial Ecosystem Research Network	Professor Paul Perkins, Dr Trevor Powell
